"For shipments subject to the 24-hour ENS filing requirement, please make sure that you will follow the new ICS2 regulation. In accordance with the new ICS2 regulations, if you wish for Hapag-Lloyd to submit a full ENS filing (including buyer/seller details, etc.), it is imperative that you provide the necessary data, including the six-digit HS Code, during shipping instructions submission stage.

This information must be submitted by the document/Shipping Instructions cut-off time. Should you choose not to share house level data with us, please ensure the EORI number of the supplementary declarant (self-filer) is provided accordingly."

Legal Terms

All dates/times are best reasonable estimates and may change. The booking confirmation is subject to sealing of container with high security seals by shipper. Container stowage on vessel is in Carrier's discretion. Carrier operates under its Bill of Lading/Sea Waybill terms and conditions which are incorporated herein by reference with the same force and effect as though fully set forth herein and which will be provided upon request or displayed in any of Carrier's/its agent's offices or under www.hapag-lloyd.com, containing liability limitations deviating from German law. As to VGM, CL 11.2 applies and shipper agrees that submission of VGM by third parties on his behalf shall be deemed authorized if such message shows: Match of container and shipment number, name of responsible party (shipper) and person authorized by shipper. Carrier may ask for further information due to country requirements and relies in the correctness of the transmitted data. Carrier will not verify authorization or VGM. Shipper shall monitor its VGM on www.hapag-lloyd.com/en/my_shipments.html and shall notify Carrier promptly if VGM is not correct.
