According to shipment routing, the following customs requirements are relevant:

Direct: EU (ICS2)

Hapag-Lloyd AG EORI code: DE2742004

This booking confirmation is subject to receiving of all relevant bill of lading / sea waybill data from the shipper in due time respectively according to local documentation closing dates/times.

**Remarks****\*\*\* ALTERNATIVE SPACE OFFERED \*\*\***

While we were unable to fully meet your original request, we have provided you the best alternative connections possible, as outlined in your booking confirmation. These adjustments differ from your original requests.

1. The vessel schedule you initially requested may have changed. Please refer to the updated schedule to plan your shipment accordingly.
2. The operational routing of your booking may have changed to ensure the best available connection. However, the routing used to determine your freight rate remains unchanged and will be honored by Hapag-Lloyd.
3. Your freight rates may have been adjusted based on your appropriate quotation with the updated tariffing date.
4. If you request a booking amendment to the routing/schedule, the alternative space offer is no longer applied upon the booking confirmation update.

**Legal Terms**

All dates/times are best reasonable estimates and may change. The booking confirmation is subject to sealing of container with high security seals by shipper. Container stowage on vessel is in Carrier's discretion. Carrier operates under its Bill of Lading/Sea Waybill terms and conditions which are incorporated herein by reference with the same force and effect as though fully set forth herein and which will be provided upon request or displayed in any of Carrier's/its agent's offices or under [www.hapag-lloyd.com](http://www.hapag-lloyd.com), containing liability limitations deviating from German law. As to VGM, CL 11.2 applies and shipper agrees that submission of VGM by third parties on his behalf shall be deemed authorized if such message shows: Match of container and shipment number, name of responsible party (shipper) and person authorized by shipper. Carrier may ask for further information due to country requirements and relies in the correctness of the transmitted data. Carrier will not verify authorization or VGM. Shipper shall monitor its VGM on [www.hapag-lloyd.com/en/my\\_shipments.html](http://www.hapag-lloyd.com/en/my_shipments.html) and shall notify Carrier promptly if VGM is not correct.
